FOREWORD

The 1954-55 school year at SMJC may be remembered as THE BEST YEAR OF OUR LIFE. We could record only a very small part of the many activities of the year in this book. It is the sincere wish of all who have had a part in assembling this book that you will recall these happy days and always cherish the memories of your many friends and the activities in which you participated.

DEDICATION

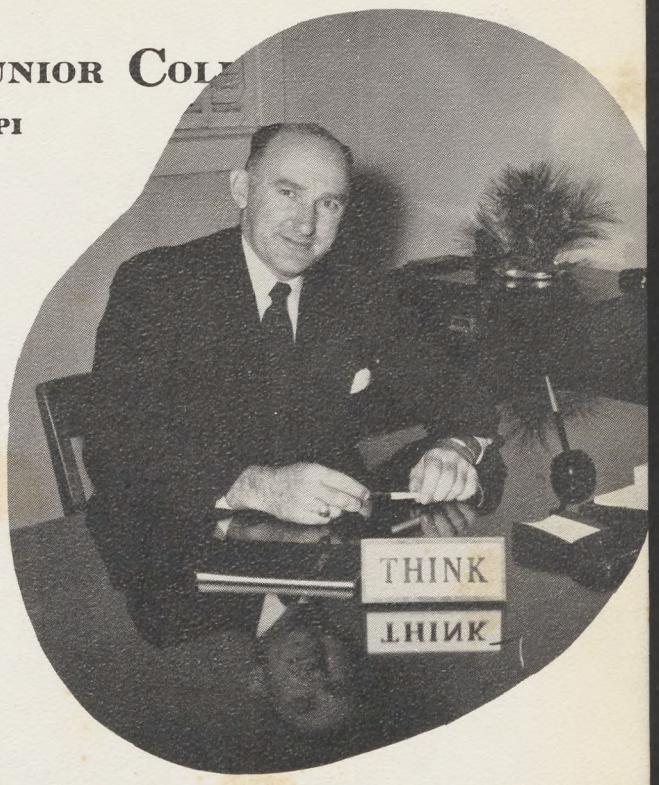

Our 1955 WHISPERING PINES is proudly dedicated to Mrs. Willie Dee Felder, who greets every SMJC student daily with a warm, cheerful smile. Because of her charm and her efficiency as our dietitian, she has created a deep feeling of love and respect in the hearts of all who know her.

Mrs. Felder's personality is a lasting inspiration to all of us.

SOUTHWEST MISSISSIPPI JUNIOR COL

Office Of
THE PRESIDENT

The Sophomore Class
Southwest Mississippi Junior College
Summit, Mississippi

You are helping to make Southwest truly great because you are inspired by the desire to know and feel, not "lost causes" and "impossible loyalties", but the best that man has been able to do in every domain of human endeavor and eternal hunger of the human heart for beauty and know - ledge, and to attempt to add to what those in the past have left us. Building on the excellent traditions of any institution will pay great dividends in the future.

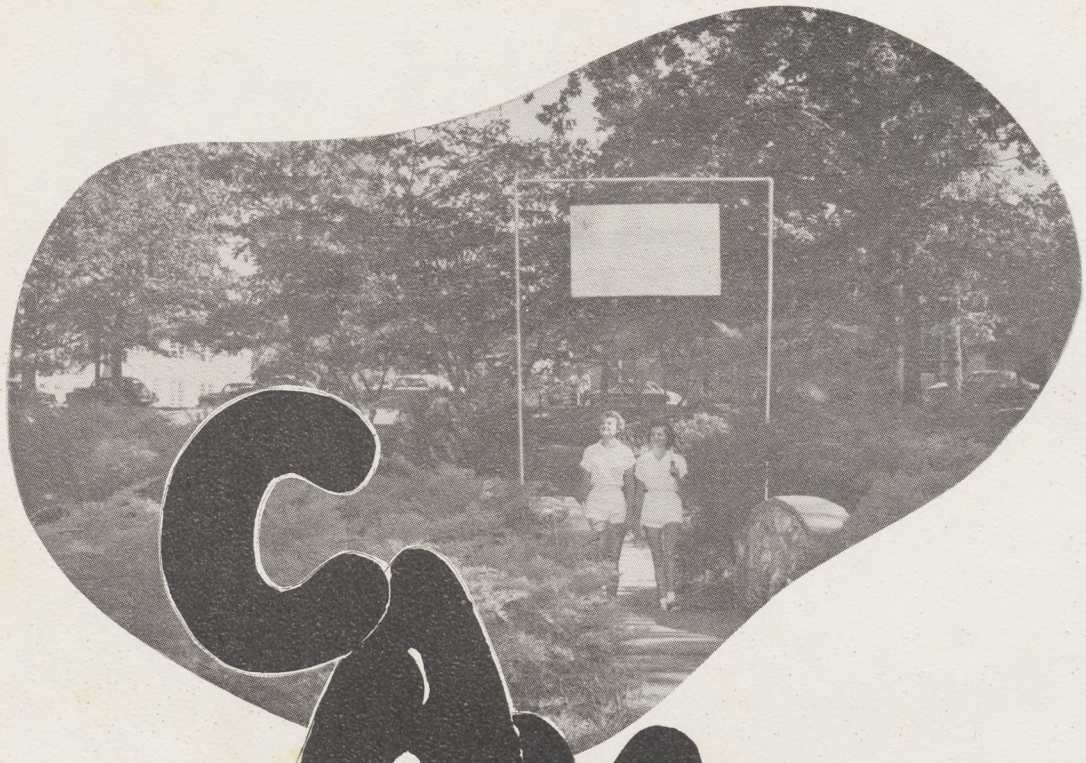

We appreciate your continued efforts toward working for a "Greater Southwest Mississippi Junior College".

Very sincerely,

H. T. Huddleston
President

In Appreciation

As we complete this, the 1955 edition of the Whispering Pines, it is my wish to express my deepest gratitude and appreciation to those who have helped make this book possible.

To Mrs. Ottomece Magee, our sponsor, my appreciation for her patience and understanding. Her guidance and inspiration led the staff to their very goal and has meant so much during the long, tedious hours of work on our year book.

Gratitude is secondly expressed to Ike Lofton, for his tactfulness, workmanship and ideas that went into the Whispering Pines. Although Ike was with us only one semester, his loyalty was greatly appreciated.

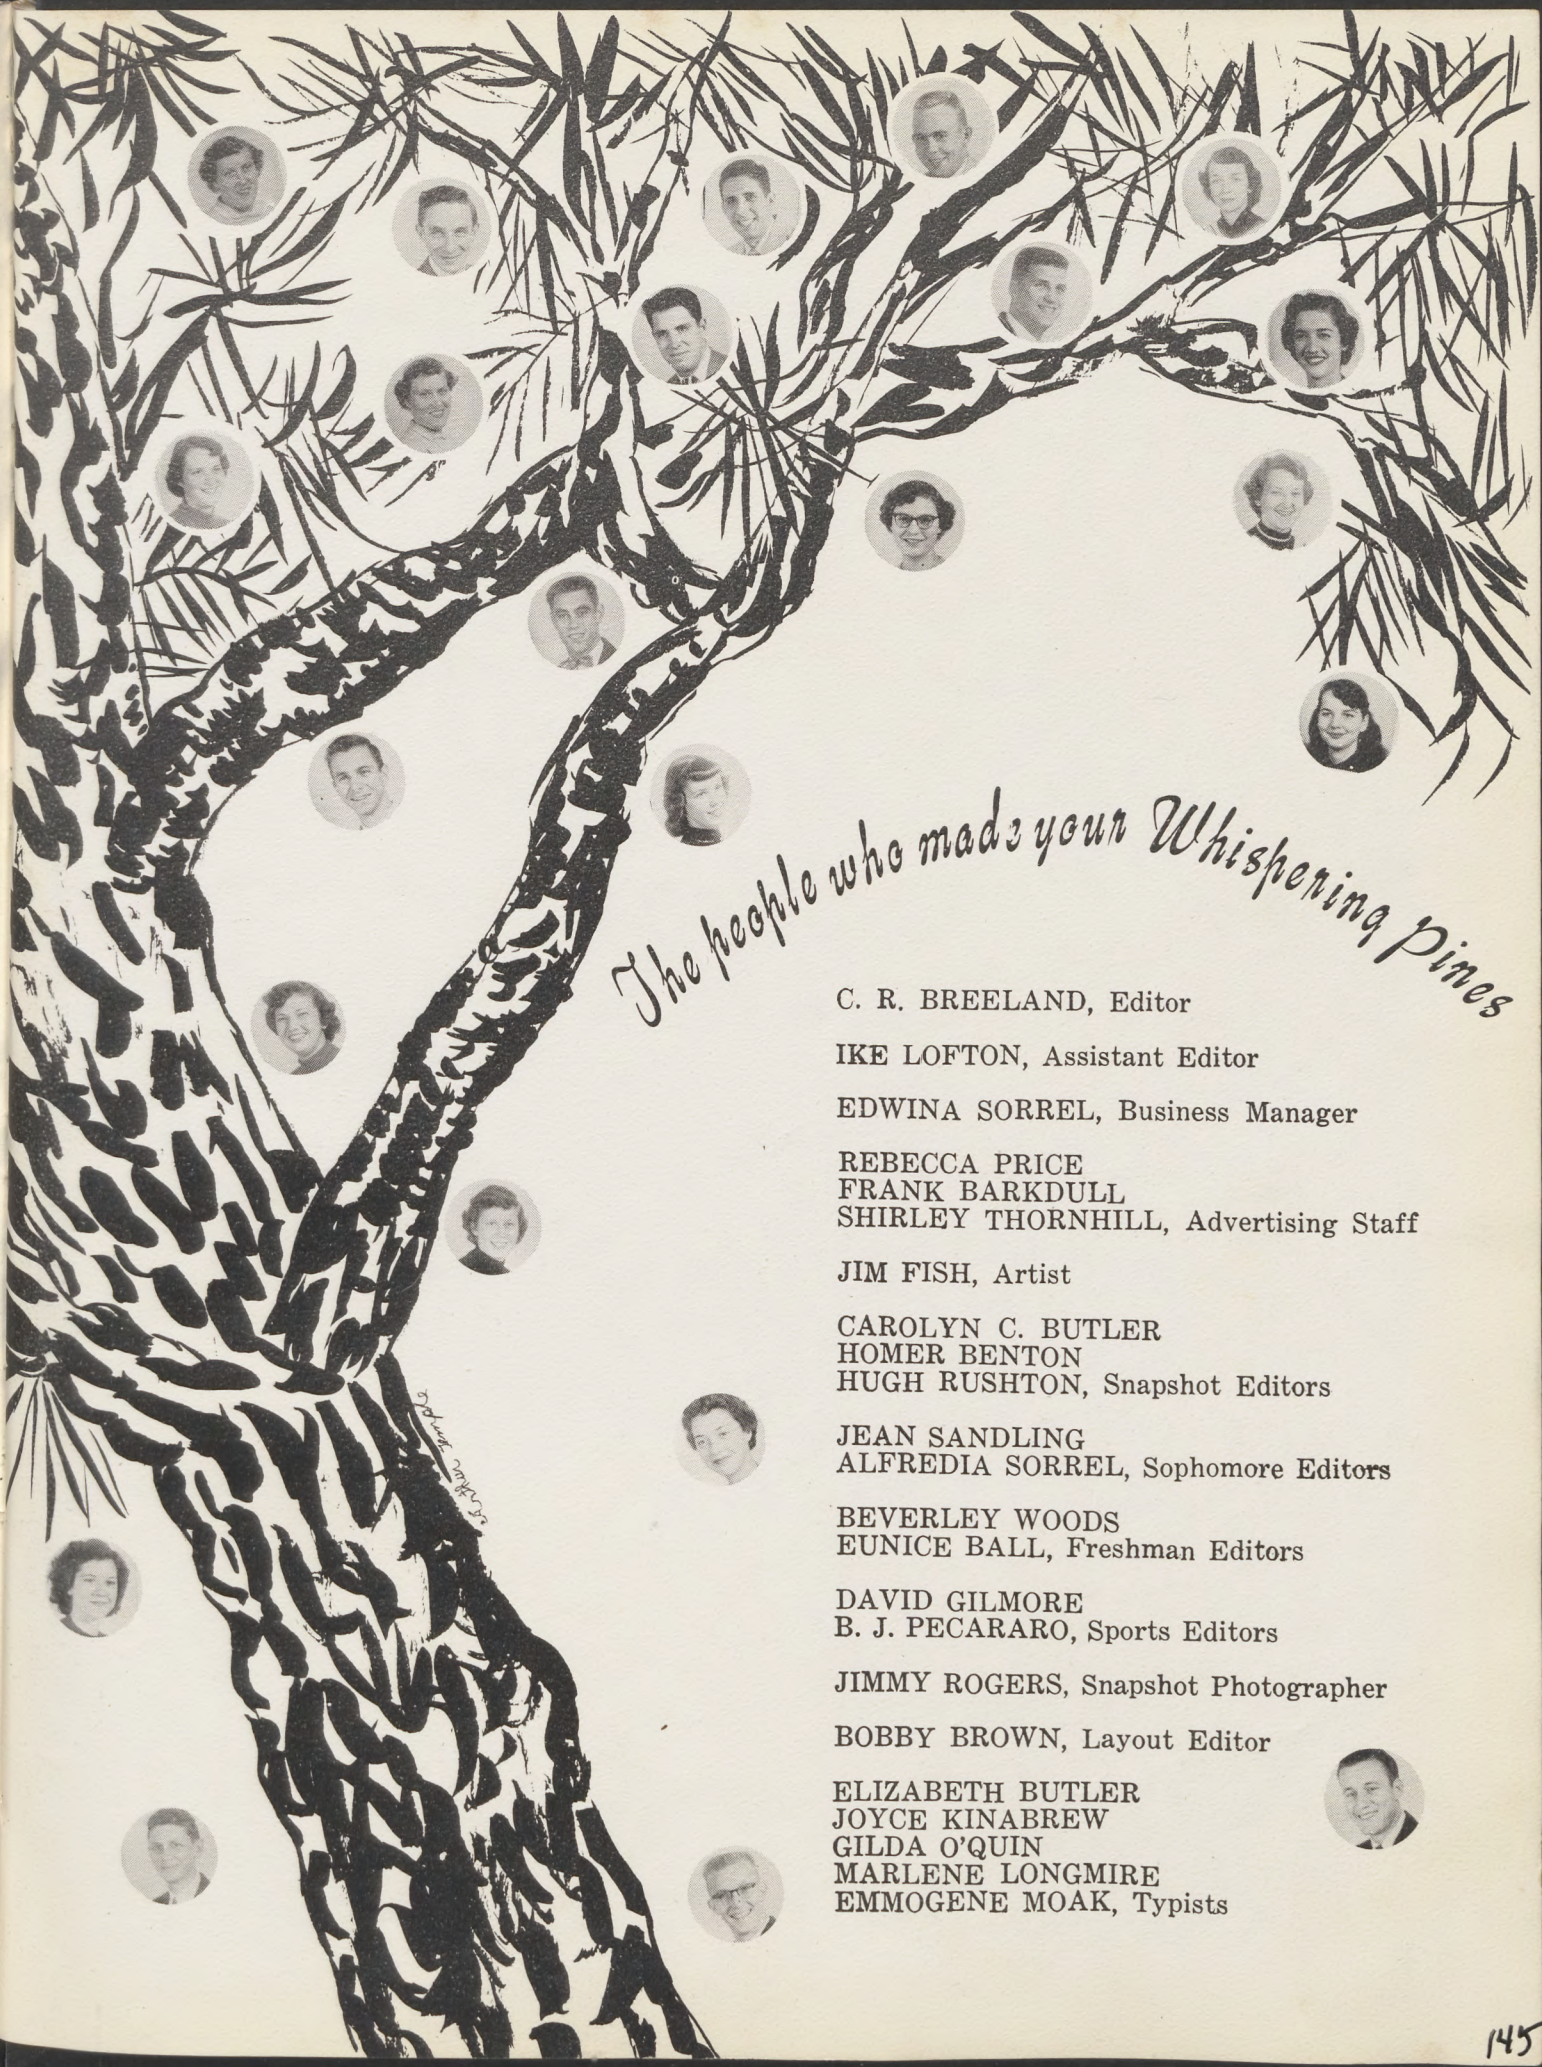

Next, our appreciation goes to President H. T. Huddleston for his dependency, backing and succor. Then, to the facultyfor their cooperation and understanding; to Pete Norman, our photographer, for his wonderful work and patience in making the pictures for our book; to the Enterprise-Journal for comments and suggestions that have improved our annual.

We thank you, the students, for your cooperation in the many varied needs in making this a pictorial history of "one of the best years of our lives".

Last, but certainly not least, is gratefulness to the Whispering Pines staff—the faithful few—who gave so much of their time to make this Annual possible, and whose help was so needed; to the Advertising staff who worked so hard to pay for its publication.

We hope that you will enjoy "the fruits of our labors" as much as we have enjoyed putting it together.

C. R. Breeland, Editor.
